AURUM MINING PLC
("Aurum" or "the Company")
10% Kentor Sale

Aurum Mining Plc announces that it has reached commercial agreement with Kentor Gold Limited ("Kentor") for the acquisition of its remaining 10 per cent. interest in the Andash asset for a consideration of US\$2.2 million, to be paid in three instalments by 30 July 2010. In addition to the cash consideration, Kentor will be releasing Aurum from the indemnities and warranties made in the original purchase contract.

The commercial agreement is still subject to both Kentor undertaking due diligence, expected to conclude within 14 business days, and upon Investcenter Talas LLC waiving their pre-emptive right to the acquisition.
